Important events to be reported: Operationalization of the UK entity

The management of Safetech Innovations S.A. (hereinafter referred to as the "Company") informs investors that, following the completion of all necessary formalities regarding SAFETECH INNOVATIONS GLOBAL SERVICES LIMITED ("**Safetech UK**"), an entity owned 67% by the Company, based in Great Britain, Safetech UK has become operational.

The activity of Safetech UK will be coordinated by Anca Stancu, as General Director, who has a cumulative experience of over 23 years in the implementation of business development strategies and sales management, including the coordination of multinational teams and the creation of strategic partnerships with both local and international suppliers. Among the reference projects coordinated by Mrs. Stancu are the construction and management of a distribution network in 33 countries and the expansion of the project portfolio through market research campaigns, carried out in countries such as Great Britain, Israel, France, Spain, Italy, Turkey and Eastern European countries.

In the following period, the activity of the UK entity will focus on building a local team, which will consist of 3 people by the end of 2022. In addition, the management of Safetech UK estimates revenues of approximately 170,000 pounds by the end of the year.

Victor GANSAC
